**Vibes, tunes and great drinks
supporting local producers.**

The best place to meet before a show, and to stick around after, our bar is a bustling, atmospheric spot that has been delighting audiences, local residents and artists alike since it launched in 2017.

Built in 1895 as the Passmore Edwards Public Library, we've got something to suit any mood – from a coffee in the cosy Script Library with bookcases lining the walls, to a cocktail on our sun-trap terrace or a pint in our energetic bar.

We hope you enjoy your visit.
